## Security with a view

Aluminium windows

Wooden windows

- ✓ A transparent burglar guard - unobstructed view for windows offering optical clarity
- ✓ Constructed from polycarbonate sheets with a special UV protection layer on both sides
- ✓ Impact resistant - virtually unbreakable - offering strength & flexibility
- ✓ Similar protection as standard steel burglar guards
- ✓ Rust & maintenance free - ideal for coast conditions
- ✓ Suitable for wood & aluminium windows
- ✓ White or black finishing screw cover caps
- ✓ Installed by certified fitters
- ✓ If installed correctly, will keep pests out such as monkeys, including unwanted intruders
